NOTE. THE SURVEY CONTENTS ARE CONFIDENTIAL AND TREATED AS ANONYMOUS FEEDBACK. HOWEVER, SUBMITTING A SURVEY IS A “REQUIREMENT” OF CSc 191. YOUR NAME IS ONLY USED TO “CHECK-OFF” THIS REQUIREMENT. IF YOU HAVE QUESTIONS, PLEASE CONTACT ME (buckley@csus.edu).

PLEASE ANSWER EACH OF THE FOLLOWING QUESTIONS:

1. The overall intellectual challenge provided by the faculty in the courses you have taken.
   - Very challenging
   - Somewhat challenging
   - Not challenging
   - No opinion

2. Your opportunity to improve your oral presentations skills.
   - Very challenging
   - Somewhat challenging
   - Not challenging
   - No opinion

3. Your opportunity to improve your writing.
   - Very challenging
   - Somewhat challenging
   - Not challenging
   - No opinion

   - Very challenging
   - Somewhat challenging
   - Not challenging
   - No opinion

5. Indicate your overall opinion of the effectiveness of the use of group projects in your courses (do NOT include CSc 190 and CSc 191).
   - Effective; about the right number and each was appropriate for the course
   - Somewhat effective; additional uses of group projects would have been beneficial
   - Somewhat ineffective; group projects were inappropriate for some courses in which they were used
   - Not effective, did not seem to contribute to the courses in which they were used
   - Cannot say, one way or the other

PLEASE ANSWER THE FOLLOWING QUESTIONS RELATING TO THE CORE UPPER DIVISION REQUIREMENTS.

6. Which of the upper division core courses gave you the most difficulty?
   - None of the core courses.
   - CSc 130
   - CSc 131
   - CSc 132
   - CSc 133
   - CSc 134
   - CSc 136
   - CSc 137
   - CSc 138
   - CSc 139
   - Phil 103

7. Which of the upper division core courses seemed irrelevant to your computer science education?

- None of the core courses.
- CSc 130
- CSc 131
- CSc 132
- CSc 133
- CSc 134
- CSc 136
- CSc 137
- CSc 138
- CSc 139
- Phil 103

8. Excluding senior project, which upper division core courses required a group project?

- None of the core course.
- CSc 130
- CSc 131
- CSc 132
- CSc 133
- CSc 134
- CSc 136
- CSc 137
- CSc 138
- CSc 139

GENERAL INFORMATION

9. When was your first term at CSUS?

- FALL (or summer) TERM
  - 1998
  - 1999
  - 2000
  - 2001
  - 2002
  - 2003

- SPRING TERM
  - 1999
  - 2000
  - 2001
  - 2002
  - 2003

10. When you started your undergraduate work at CSUS, you were a:

- Freshman
- California Community College transfer
- Transfer from another college or university

11. While at CSUS, have you actively participated as a member of a student organization?

- No
- Yes If Yes, list the organizations:
  1. 
  2. 
  3. 
  4. 

12. After graduation, are you planning to pursue a graduate degree?

- Yes, but sometime after I begin my professional career
- Yes, immediately after completing my undergraduate degree
- Undecided at this point in my career
13. Have you had more than six (6) months of paid, professional experience in software development?

☐ Yes
☐ No

UPON GRADUATION, HOW MUCH CONFIDENCE DO YOU HAVE IN YOUR KNOWLEDGE AND ABILITY IN THE FOLLOWING SUBJECT AREAS?

14. Programming
   - Very confident
   - Somewhat confident
   - Not confident
   - No opinion

15. Software engineering
   - Very confident
   - Somewhat confident
   - Not confident
   - No opinion

16. Computer organization
   - Very confident
   - Somewhat confident
   - Not confident
   - No opinion

17. Operating systems
   - Very confident
   - Somewhat confident
   - Not confident
   - No opinion

18. Database systems
   - Very confident
   - Somewhat confident
   - Not confident
   - No opinion

19. Computer graphics
   - Very confident
   - Somewhat confident
   - Not confident
   - No opinion

20. Computer theory
   - Very confident
