Summarize the lectures about engineering ethics. This is an individual assignment; the due date is 04/02/2015.

**Guidelines for the summary:**

- The summary should have a title, the author’s name and the submission date.
- Use Times New Roman 11pt or similar font.
- Use 1.5 spacing.
- Use 1 inch margins (top, bottom, left and right).
- Word count: about one page. No more than one page
- Handwritten summaries are not accepted except if you prove that you are artist with an exceptional talent. You still need to measure the margins and count the number of words in your report.
- Do not plagiarize, work alone.

The paper format and the organization are important.
